## Class Policy

**Pre-Registration:** ALL classes must be paid in full to hold a space. Class fees are non-refundable, unless cancellation is our fault (too few students or bad weather). Cancellations will occur when there are fewer than 3 students in a class. You will be notified at least 24 hours prior to class if this happens. If you are unable to attend a class due to unforeseen circumstances, you must let us know that you will not be attending the class before the class begins in order to be eligible for a refund or credit. If you are a no-show for a class, you forfeit the class fee. No refunds or credit will be issued if you do not provide advance notice that you will be unable to attend.

Classes begin on time! If you are more than 15 minutes late, you forfeit the class. The instructor will not be able to catch you up to the rest of the class.

**Class Skill Levels:** All classes are open to all skill levels. Our classes can be managed by most beginning beaders with nimble fingers and a knack for crafts. Class descriptions will identify skill level or experience that is helpful.

**Private Classes:** If you have a group of 3 or more, private classes can be booked at the listed per-student cost. The same pre-registration policy applies. Individual, one-on-one instruction can be booked in advance at a cost of \$20/hour, plus the cost of the class. Please ask for Erin if you have any questions about private classes.
